

# Pre-Season Soccer Kick-Off!

Soccer Centers in Somerset is offering this one day pre season program for recreational players. For younger players (entering kindergarten 2006/2007 school year and first grade) the emphasis will be on keeping it fun. Creating an atmosphere where they will feel more comfortable on the field during the upcoming season. The event will remove some of the anxiety associated with a new sport, which in turn will make for a better experience for both the child and the parent. Older players (second grade and up) will be provided a soccer skill challenge course. They will be rotated through various stations where they can take part in shooting, passing, juggling and footwork challenges.

All coaches are invited and encouraged to attend and take part in the challenges with awards going to the best scores for both coach and player. This will be a good time for coaches to interact with their players.
